COMMENTS: Rex Moncrief, chairperson for PAC request a waiver and states the following: They attempted to fax the report in on the June 10, 2019; however, the fax did not go through apparently. As soon as they were aware the report had not been received, they immediately contacted your office via phone and sent it again. Around April 9, 2021, after being selected as chairman again, he contacted your office to change our filing to "typical", discuss the filing schedule for that, and was also informed that they needed to remit our yearly filing fee, which he did. On April 15, 2021, they received our certificate of registration and corresponding letter from your office. At no time during these conversations with your office was there any indication of problems or potential assessments.

Re: Request for Waiver of Late Fee Assessment for May 2019 Monthly

Dear Ethics Board:

We are in receipt of your letter for late fee assessments for a May 2019 Monthly sent Certified Mail No. 70201290000106677930 and received Oct 16, 2021. We are within the documented 20 day period and have elected to submit our request for a waiver to your attention.

We would like to request a complete waiver of the fee (\$1,600) or at least a substantial reduction of the fee. Here are the reasons why.

(1) We attempted to fax the report in on the June 10, 2019; however, the fax did not go through apparently. As soon as we were aware the report had not been received, we immediately contacted your office via phone and sent it again.

(2) Around April 9, 2021, after being selected as chairman again, I contacted your office to change our filing to "typical", discuss the filing schedule for that, and was also informed that we needed to remit our yearly filing fee, which I did.

(3) On April 15, 2021, we received our certificate of registration and corresponding letter from your office.

(4) At no time during these conversations with your office was there any indication of problems or potential assessments.

Based on these factors, we would like to respectfully request a complete waiver of the assessments or at least a substantial reduction in the amounts.

Sincerely,

Rex Moncrief, Chairperson
Good Government Coalition
